Proposal to establish Local Ministry of Sanatan Religion Education and Research

We are very glad to write you and give our humble obeisance. We place this proposal as mentioned above to your honor for kind consideration. In support of this, the following information is explained:

1. We, a group of people, are proposing to form a Local Ministry of the above-mentioned proposal. We have selected a land at Chattogram, Bangladesh. The price of it is Taka 2 (two) crores to purchase to establish the Ministry.
2. Area of the land: About 300 decimal, contains several rooms and with empty space for future construction. Line diagram of the land is provided below:

3. We have collected Ministry staff having Master degree and Ph.D holders with other qualifications. We are also giving effort to collect more staff.
4. We are trying about ten (10) years giving applications and letters to various corners for establishment of the Ministry.
5. **Therefore, we pray to your honor for kind consideration and recognition of the above-mentioned Ministry at an earliest time.**
